

This topographic map displays a rural landscape with numerous land parcels, roads, and water features. The map includes contour lines indicating elevation and property boundaries. Key features include:

- Water Bodies:** A large lake labeled "WATER" is centrally located. A smaller pond labeled "WATER" is situated to the southeast. A stream labeled "MILL" flows through the western portion of the map.
- Roads:** "FULLING MILL LANE" runs vertically on the left. "ETHAN" runs vertically through the center. "ALLEN" runs diagonally across the bottom right.
- Land Parcels:** Numerous parcels are labeled with their area in acres (AC) and their respective HI (Hillside) and GI (Glenview) numbers. For example, parcels include HI2001, HI2002, HI2003, HI2004, HI2005, HI2006, HI2007, HI2008, HI2009, HI2010, HI2014, HI2015, HI2022, HI2023, HI2024, HI2025, HI2026, HI2028, HI2029, HI2030, HI2031, HI2077, and HI2079. Some parcels are also labeled with TC (Township) numbers.
- Topography:** Contour lines are drawn across the map, with elevations ranging from approximately 420 to 550 feet.
- Other Features:** A "POOL" is located near parcel HI2002. A "TOWN" area is labeled in the upper right. A "TOWN" area is also labeled in the lower right.

The map is a detailed representation of the land and its features, providing a clear view of the terrain and the layout of the various parcels and roads.
